#### **WORKER PORTAL**

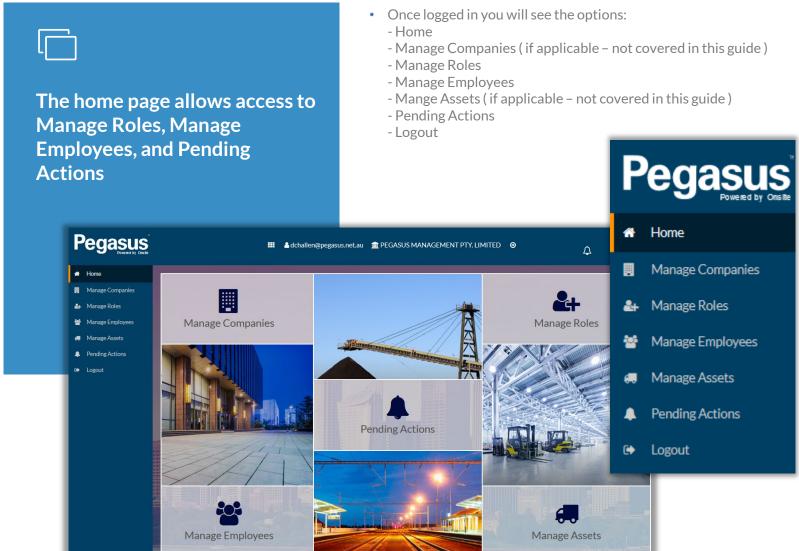

Not all Portals have this feature. The option will be shown if that Portal has that available.

Look to the user guide on that Portal's Help & Resources Page for more information

- If your portal has the Individual Worker Login feature, this will show as the "WORKER" option on the portal login screen.
- Using your personal Onsite Track Easy Username and Password, this will allow you to login and view your profile in this portal. You must have been previously invited by your Company Administrator.
- The Individual Worker Portal is not covered in this user guide.

# **WORKER REGISTRATION**

### Worker Registration – Adding New Employee

### Worker Registration – Adding New Employee

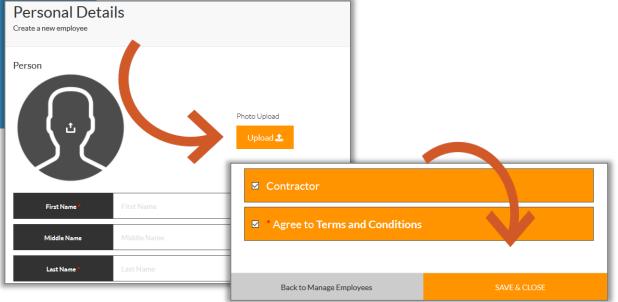

#### STEP 2

Upload a photo and enter the employee's details.

Scroll and complete all fields, then click "Save & Close".

- The information entered here will be displayed on the worker's Pegasus profile
- If the worker is a contractor and not an employee of your company, tick the box next to "Contractor"
- Read the Terms and Conditions and tick the box to create a new worker in the system
- We can now continue to add roles, assign to sites, and upload documents for this worker

### Worker Registration – Adding New Employee

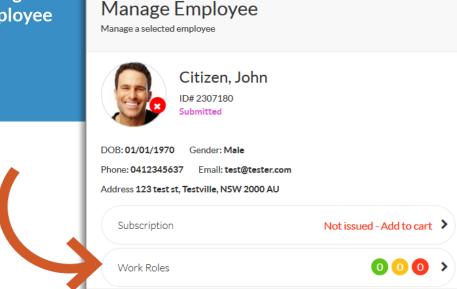

#### STEP 3

You can process the payment for the worker's subscription (if required) at a later time.

Or click "Subscription" and pay

before proceeding to add roles to Employee

- If you need to leave the process and come back at a later time, log out or process the payment and then log out. The card application will be under Pending Actions > Continuing Applications
- For payment process, refer to the payment section later in this guide
- If you are completing the process now, click on the Subscription tab and follow the process to pay for that Subscription (if applicable)
- A Paid Subscription is required for some portals before being able to add Roles

#### **Worker Registration – The Document Library**

- Multi-Page PDF documents are read by the library and pages are extracted so they can be previewed. Arrow in bottom right of each icon allows to preview file in new window to see contents in more detail
- Multiple documents can then be selected if needed to supply correct evidence for the competency you are uploading evidence for
- Can upload additional documents if necessary (if evidence is across a PDF and Word document for example) and they can also be selected together when uploading the evidence
- Word Documents are NOT extracted. You can only select the word document as evidence, you can not preview it.
- No limit on uploads to library or against competency when uploading evidence.

#### Worker Registration – The Document Library

**Document Library** Select or upload the document required Allowed file types: PDF, DOC, JPG, JPEG, XLS, TXT, DOCX Finished Editing Remove All

 Select Edit in Document Library to edit what current documents are visible for this worker.

- Old documents will be displayed, if previously uploaded. Use the EDIT button to display the option to DELETE the documents no longer required to stay in the Document Library for ease of access.
- Click the "X" next to each document to instantly remove it from the Document Library. This will NOT remove it from the Workers competency. It just removes the quick access to that document. You can always re-upload the document if the incorrect one was deleted.
- Once finished editing the document in the library, click "Finished Editing" to return the Document Library view back to the normal layout.

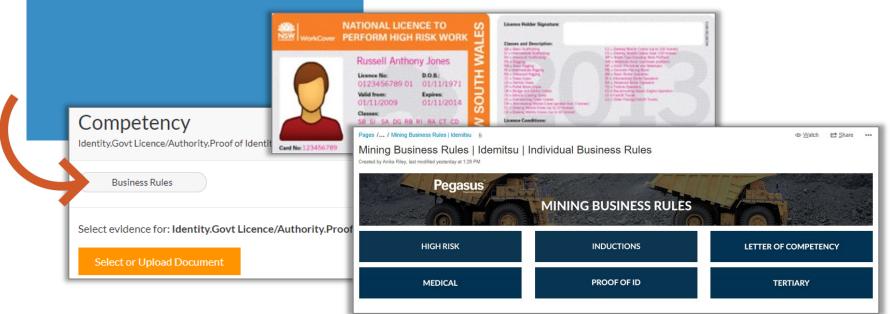

#### **Worker Registration – Note on Business Rules**

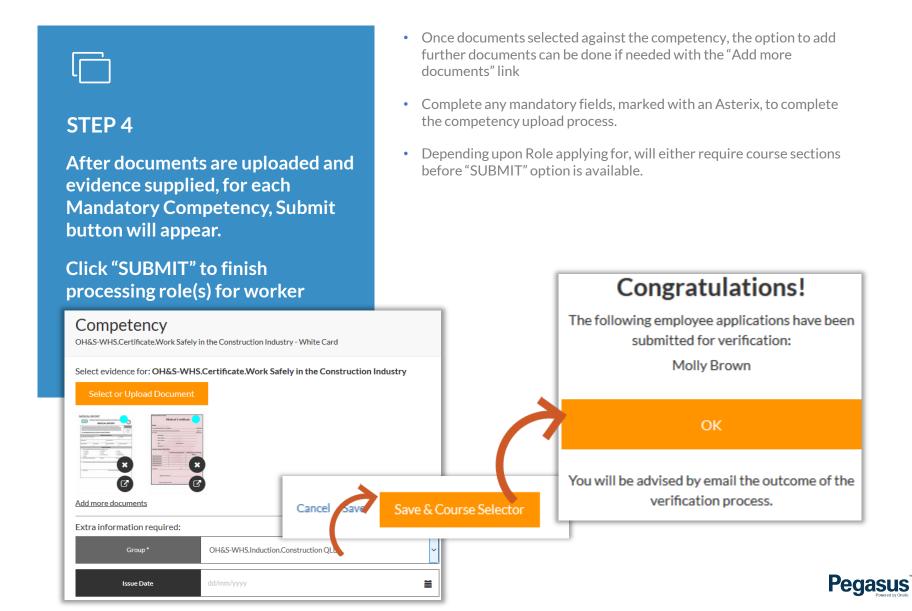

### BUSINESS RULES FOR ROLE AND COMPETENCY REQUIREMENTS

Click on the Business Rules link in the file details section.

- The Business Rules will help you understand the information that must be supplied to meet role requirements.
- Business rules will display the document and upload requirements, and an example document. Competency expiry periods may also be noted.
- Uploading the correct document(s) will ensure a smoother application
  of roles to your worker. Incorrect documents will be returned to the
  submitter and can cause delays in role applications.
- If you wish to view all the business rules for this client, visit their Contractor page by clicking on the relevant tile at <a href="https://Pegasus.net.au/contractors">https://Pegasus.net.au/contractors</a>

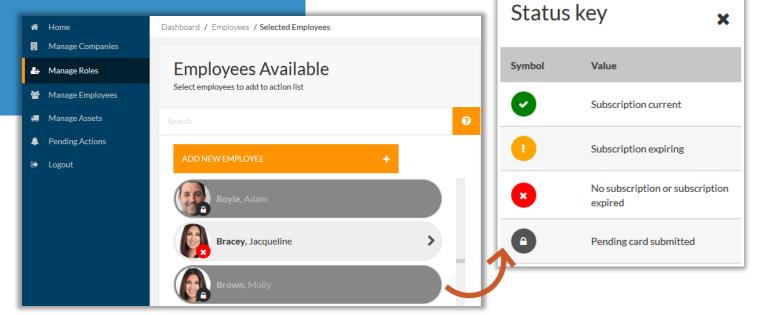

#### STEP 5

Once all uploads are completed and role has been submitted, the worker is now locked, pending document approval from Pegasus

- NOTE: if multiple roles are being added at same time, documents for ALL ROLES need to be uploaded before SUBMIT button is available.
- Processing time will vary depending upon client portal business rules.
- Can now process other worker if necessary
- Company Administrator that processed this Employee will be notified via email of approval/application return status.
- Can view under Pending actions if Company Administrator is away and has been returned in their absence. Notes will be listed in Pending Actions if some action are required to re-submit.

# SHOPPING CART PAYMENTS

#### **Shopping Cart Payments**

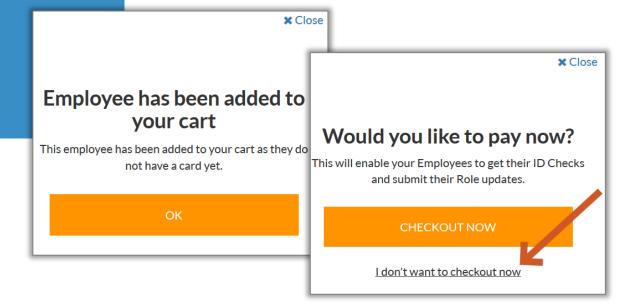

#### STEP 1

Review the shopping cart prior to processing payment.

Click the "Shopping Trolley" icon to continue.

- Payment depends on the system and may be for adding or updating a subscription, applying for cards, and some roles and inductions.
- If something requires payment, the shopping cart will be highlighted at the top of the page
- Multiple items can be paid for at the same time.
- You can continue in the system and return to the Shopping Cart later

#### **Shopping Cart Payments**

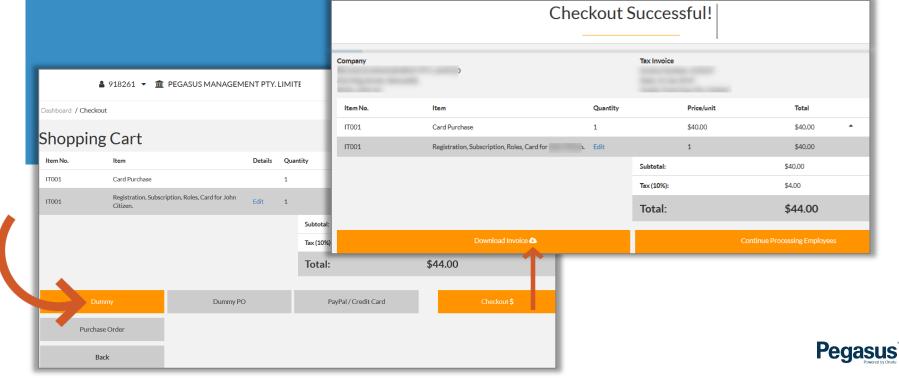

#### STEP 2

Review the shopping cart prior to processing payment.

Click "Checkout \$" to proceed.

- Payments can be processed by credit or debit card, or Purchase Order (upon prior approval)
- A tax invoice will be produced and will also be emailed on successful payment.
- Items can be removed from shopping cart
